

EXPECTED SCHOOLWIDE LEARNING RESULTS (ESLRs)

Escondido Charter High School will prepare its graduates to be:

- 1. Academic achievers who:**
 - Meet or exceed standardized test scores of the sponsoring high school district when similar programs are compared
 - Meet or exceed standards of essential knowledge as determined by standards set by Escondido Charter High School District and the state of California

- 2. Technologically literate individuals who:**
 - Demonstrate proficiency in the six basic computer skills: word processing; Internet search and retrieval; spreadsheet applications; e-mail; desktop publishing and courseware as evidenced by student portfolios and completion of technology course requirements
 - Have the opportunity to demonstrate high standards in the use of advanced technology
 - Can apply technology across the curriculum and in the workplace

- 3. Effective citizens who:**
 - Will register to vote
 - Have a basic understanding of the founding principles of our country as taught in our American Government class
 - Research current issues in order to make informed choices
 - Participate in community service activities

- 4. Effective communicators who:**
 - Read and comprehend information including instructions, ballots, newspapers, employment or college applications forms, and literary works
 - Demonstrate writing skills through reports, essays, letters, and creative writing
 - Communicate clearly through oral presentations

- 5. Responsible, self-directed adults who:**
 - Set priorities and achievable goals to create a positive future for themselves
 - Exhibit self motivation and self discipline, and accept responsibility
 - Develop knowledge and skills leading to productive employment
 - Manage relationships and diversity in a positive manner
 - Practice appropriate hygiene, proper nutrition and physical fitness
